ROCKWELL REPORT

REPRINT

the KENNEDY Assassination

The assassination of President Kennedy was predictable. It was bound to happen. THERE WILL BE MORE!

This is no threat. It is a simple, scientific prediction based upon past experience.

President Kennedy was not the first U.S. President to be shot by Communist terrorists.

Incredible as it is, we lost another President under almost identical circumstances, and a third president missed Communist assassination only by seconds!

President Kennedy was shot by a boastful disciple of the Jew Karl Marx. Oswald repeatedly boasted that his "bible" was Marx's book of boiling hate, "Das Kapital". Oswald was filled with murderous hate of millionaire Kennedy. Further on in this ROCKWELL REPORT we will present actual examples of the violent and murderous preachings of these Reds--the words which triggered the assassination of a President.

It all happened before.

NOTE: Much of what follows is simply incredible. But it is also "incredible" that the President of the United States could be shot in 1963. There are logical and relatively simple reasons why it happened. But these reasons, themselves, are even more incredible than the shooting itself. They show that we are smack in the middle of a wave of Communist terrorism which has ALREADY killed TWO, not one, U. S. Presidents and almost killed another; that Oswald was not and COULD NOT have been a "loner" but was part of the Communist plan to destroy the Right Wing once and for all and jam through the Communist "civil rights" "laws"; that the top officials of the U. S. Government, from the President and the Chief Justice on down, are promoting the same "line" on the assassination as the Soviet Union and the Communist Party, -that it was anti-communist, right-wing, "extremist" "hate" which killed the President, when the assassin was obviously a COMMUNIST; and that, if the American people do not react immediately and vigorously to this Communist terrorism and the conspiracy by our own officials to protect the filthy thing, the assassination will soon spread into the nationwide bloodshed, murder, terrorism and assassinations of the planned COMMUNIST REVOLUTION IN AMERICA!

Precisely because what follows IS so incredible, we have gone to great pains to include notes of original sources for all facts. We offer a $ 100 reward, -all we can afford, -to anybody who can prove in a public meeting that we have lied or misrepresented in these documents. Or better yet, those who claim we are just liars can hale us into Court for "criminal libel" and have us thrown in prison, -if what follows are not the plain, damning FACTS.

****

At 12:01 p.m., September 16, 1920, Communist terrorists bombed and slaughtered masses of American capitalists in Wall Street, New York City, because of the hatred generated by Communist class warfare against successful businessmen.

U. S. Attorney General Palmer investigated and seized the culprits, a gang of Communist anarchists, Russian Jews organized as the "Federation of the Union of Russian Workers". Two of the leaders of this group were Alexander Berkman, an admitted Communist, anarchist Jew, and a Jewess who attempted to lead a Communist revolution in America, Emma Goldman. The Jew Berkman, like Oswald, an avid reader of "Das Kapital" and filled with Communist hatred of businessmen, had walked into the office of steel executive Henry C. Frick and shot him. To Berkman, business executives and wealthy persons were "tyrants". In Berkman's book, in 1912, "Prison Memoirs of an Anarchist", this Jewish assassin wrote, "The removal of a tyrant is not merely justifiable; it is the duty of every true revolutionist. Human life is, indeed, sacred and inviolate. But the killing of a tyrant, of an enemy of the people, is in no way to be considered as the taking of a life".

Marx's "Communist Manifesto" and "Das Kapital"--the "bibles" of presidential assassin Oswald, make no bones about calling all "capitalists" "TYRANTS"!

Young J. Edgar Hoover, on behalf of the government, prosecuted these two Jew Communist revolutionists Berkman and Goldman, and managed to deport them to Russia.

But not before Jewish Communist leader Goldman had won over as a disciple a man named Leon Czolgosz.

Filled with the wild Jewish-Communist doctrines of Emma Goldman, CZOLGOSZ ASSASSINATED PRESIDENT McKINLEY AS A CAPITALIST "TYRANT"!

(For Documentation of all this, see "THE FBI STORY", by Don Whitehead, particularly pages 55, 56).

The "Fair Play for Cuba Committee", organized and operated by the Jew V. T. "Lee", the Socialist Workers Party, whose presidential candidate was a Jewess, and the Socialist Workers Party's violent paper, "The Militant", along with 1/2 Negro Fidel Castro himself--poured out the violently anti-American Communist venom which filled Lee Oswald with enough insane hatred to shoot our President. The same murderous Communist incitements have already filled THOUSANDS OF OTHER AMERICANS--OTHER "OSWALDS"--WITH THE SAME DEADLY AND VIOLENT COMMUNIST HATRED WHICH KILLED PRESIDENTS McKINLEY AND KENNEDY.

UNLESS THE AMERICAN PEOPLE ARE PERMITTED TO REACT NATURALLY AND CLEAN OUT EVERY LAST VESTIGE OF THIS COMMUNIST-

JEWISH HATRED AND ITS MURDEROUS ADHERANTS, ASSASSINATIONS AND MASSACRES WILL BECOME COMMONPLACE IN AMERICA AS THEY HAVE WHEREVER THIS FILTHY AND INSANE COMMUNIST PREACHING HAS BEEN ALLOWED TO SPREAD.

The "love-mongering" lefties and soft-on-Communism liberal gang will insist that Communism is "only an idea", that it is "mellowing", and that it is ANTI-Communist "hatred" which divides and will "destroy" our nation.

Lenin and Stalin further amplified these doctrines of criminal hatred, assassination and murder with thousands of inflammatory written statements demanding the annihilation and extermination of any one who dared to oppose Communism or even dared to succeed in business.

In 1905, the Jew Leon Trotsky, who was born Lev Davidovich Bronstein led the ignorant Russian peasants in a "march" on the palace of the Russian Czar, precisely like our present "civil rights" "marchers", demanding all sorts of "reforms". The Czar agreed that many of these reforms were reasonable and asked Trot-

THE TRUTH IS EXACTLY THE OPPOSITE!

For more than a hundred years, long before there were any "right-wing extremists" or "anti-Communist hate mongers", Communism has been spreading insane and criminal hatred against all successful White Gentiles, particularly businessmen--the kind of "filthy capitalists" who built this great America they all want to come to.

In 1848, in the "Communist Manifesto", the Jew Karl Mordecai--who took the name Marx--wrote, "The Communists disdain to hide their aims. Let the ruling classes tremble.... What we seek is nothing less than the violent overthrow of all existing conditions." Marx wrote further, "Whatever is, is worth destroying!"

In one of his early books, Mao Tse Tung, Chinese Communist leader who has murdered millions, candidly stated, "Political power comes out of the barrel of a rifle".

sky and his Red gang to wait until the duma, the Russian "congress", could meet in a few days to act on the Communist demands. Trotsky, precisely in the manner of the current "civil rights" leaders, denounced this as not fast enough to suit the "workers" and led the Communist-maddened workers in a physical assault on the palace. With no other choice left them, the guards of the Russian "White House" opened fire to protect the Russian Government and hundreds of "workers" were massacred--(not including the intrepid Jewish leader, Mr. Trotsky, and the other inciters of this insanity who were well to the rear when the shooting began.) This event, known as "Bloody Sunday", was then used by the Communist agitators to whip up the "workers" to a fever pitch which resulted in the so-called "Russian" revolution. The leaders of this "Russian" revolution were, besides Trotsky (Bronstein), Zinovief (Apfelbaum), Steklov (Nakhamkes), Kamenev (Rosenfeld), Dan (Gurvich), Sverdlov (Steinberg), Radek (Sobelson), Larin (Lurye), Jeffe, Axelrod (orthodox), Bogdanov (Zilberstein). -all Jews!

In the process, these Communist agitators incited the bombing and assassination of no less than 15 top Russian officials, including also Czar Alexander II, a "liberal" "reform" Czar--much like Mr. Kennedy--who attempted to "go along with" the Communist hell raisers.

For his appeasement of the Jewish Socialist Labor Bund, the forerunner of the Communist Party, Alexander II was assassinated by Jewish Communists during a parade PRECISELY IN THE MANNER USED AGAINST PRESIDENT KENNEDY! Much in the manner of our Mrs. Kennedy, a female relative of the Czar had to retrieve his head, which had been entirely blown off by the Jewish murderers.

Other Russian leaders were bombed, stabbed, shot from ambush and otherwise assassinated and exterminated.

In the course of the Communist revolution in Russia, a Jew Commissar by the name of Yankel Yurovsky, acting on the orders of Comrade Trotsky (Bronstein), assassinated the Czar--AND HIS WHOLE FAMILY, INCLUDING THE WOMEN AND CHILDREN WHO WERE MURDERED IN COLD BLOOD IN A CELLAR IN EKATERINBURG (renamed Sverdlosvk by the Communists after the Jew Sverdlov).

After the revolution, by their own boastful admissions, in order to establish the "workers' paradise", the Communist bosses exterminated more than 18 million Gentile Russian peasant kulaks, who resisted the seizure of their private farms by the Soviet Government. Subsequently, under the direction of Comrade Trotsky (Bronstein), the Communist Internationale started bloody Red revolutions in Germany, Hungary, Rumania and almost all of the countries of Europe--always led by more Jewish comrades like Trotsky himself. In Germany, it was Rosa Luxemberg and Karl Liebnicht. In Hungary, Bela Kuhn (Cohen), etc. In Austria, Fredrich Adler; in Rumania, Ana Pauker; etc.

Everywhere, these Communist hell-raisers used assassination and mass murder as a calculated scientific revolutionary technique. "Terror" was their motto and their method. They were proud of it, boasted of it and never once ceased using these criminal methods.

In March 1917, Trotsky (Bronstein) said in a speech in Yiddish in New York City before he left for Russia to lead the Russian Revolution: "I want you people to organize and keep on organizing, in order that you may be able to overthrow this dirty, rotten government of the United States. I am going back to Russia to overthrow the government there!"

Trotsky (Bronstein) ordered the heads of the murdered Czar, Czarina and children to be brought to Moscow where they were featured as public exhibits in alcohol-filled glass jars. Trotsky stated in a Russian paper, the "Red Gazette", on September 1, 1918, "We will harden our hearts into iron. We will temper them in the fires of endurance and in the blood of the enemies of liberty. We will be cruel, hard, pitiless, until we feel no pity and are unmoved by the sight of our enemy's blood. We will open wide all the outlets of sentiment. Without pity, sparing nothing, we will massacre our enemies by the hundreds. We will drown them by the thousands in their own blood. For the blood of Lenin, Zinovief and Volodarski (Goldstein), let us shed torrents of bourgeois blood. More blood! More blood!"

After his exile, Trotsky formed the "Fourth International". Quotation from Lenin: "We Bolsheviks will bring the revolution to Europe, as well as to America. It will come systematically, step by step. The struggle will be long, cruel and sanguinary. But what does the loss of 90% mean, if 10% Communists are still left to continue the revolution?" "The dictatorship of the proletariat is nothing else than power based upon force unlimited by nothing--by no law and no rule."

The United States Rohrberg Commission of Inquiry reported, "The whole cement floor of the great garage of the Department Secret Police of Kiev was flooded with blood, brains, pieces of skull, tufts of hair and other remains. All the walls, riddled by thousands of bullets, were bespattered with blood. Pieces of brains and of scalps were sticking to the walls. A gutter, 25 cm. wide, 25 cm. deep and about 10 meters long, ran from the center of the garage to a subterranean drain. The gutter, along this full length was filled with blood.

"Usually, as soon as a massacre had taken place, the bodies were conveyed out of town in motor lorries and buried in shallow trench graves. We found in another corner of the garage, another grave which was older and contained about 80 bodies. On them we discovered traces of cruelty and mutilations--the most horrid and unimaginable. Some were literally hacked to pieces. Some had their eyes put out and their heads, faces, necks and trunks covered with deep wounds. Farther on we found a corpse with a wedge driven into its chest. In the corner of the grave we found a quantity of arms and legs belonging to no bodies we could locate." "Similar conditions have existed at one time or another throughout most of Russia." America's problem is living a lie, the Jewish lie that right-wingism and particularly Nazism, are evil--when the truth is that only Nazism and right-wingism can save America from the deadly danger of Communism which actually has already killed the President.

THE COMMUNISTS HAVE NOT CHANGED!

In 1930, the Jewish director of the Lenin School in Moscow, Comrade Manuilsky, wrote: "War to the hilt between communism and capitalism is inevitable. Today, of course, we are not strong enough to attack. To win, we shall need the element of surprise. The bourgeoisie will have to be put to sleep. So we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard-of concessions. The capitalist countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fist." (Hearings before the House Committee on Un-American Activities. House of Representatives, 86-2. Part 2, May 13, 1960)

When it suits their purpose, the Reds extend the hand of friendship and preach love and "brotherhood". In the recent New York State elections, the open Communist candidates (like Gus Hall) ran as members of the "Brotherhood Party".

Simultaneously, with all of this, rich Jews, who were secretly in sympathy with their Bolshevik comrades, men like Bernard Baruch, who financed and helped organize the Yiddish Communist Abraham Lincoln Brigade which fought for Communism in Spain and Jacob Schiff, head of Wall Street Kuhn, Loeb & Co. and hundreds of others like them, exerted their enormous money power to gain control of our press, radio, television, etc., so that none of these facts would ever be made available to the American people--and anyone who attempted to inform our people of these facts was immediately branded as a "bigot" and "hate monger" and driven into poverty, ostracism and, if possible, suicide. For those who imagine this indictment is too strongly drawn, let me point out that, in modern America, our most potent medium of public information and opinion-molding is television. There are three national television networks. No news, opinions or national programs can originate except those approved by these three networks.

ALL THREE NETWORKS IN AMERICA ARE COMPLETELY MONOPOLIZED BY RUSSIAN JEWS.

The Chairman of the Board of NBC is Robert Sarnoff, a Russian Jew. The President of CBS is William Paley (Palinski), a Russian Jew. The Chairman of the Board of ABC is still another Russian Jew, Leonard Goldenson.

The New York Times is owned by Arthur Hayes Sulzberger, a Russian Jew. The Washington Post is owned by the family of Eugene Meyer, another Russian Jew. The New York Post is owned by Dorothy Schiff, a granddaughter of Jacob Schiff, the Russian Jew boss of Kuhn Loeb & Co., mentioned above, who put more than 20 million dollars into the Russian Communist Revolution.

It is because the radical and rich Jews like these control either directly or though advertising all of our press, TV, etc., that you have never heard of the deadly facts presented herein, and you never will, until brave Americans are willing to face up to the disgrace, ostracism, poverty and physical terrorism which confronts any American who dares expose the real evil of Communism and especially its Jewish nature.

Starting in the 1900's, Emma Goldman, Alexander Berkman and hundreds of other similar Yiddish Communists who swarmed on the lower East Side of New York City began to spread their murderous doctrines of hatred, terror, assassination and revolution throughout our beloved America. All attempts by Americans to defend themselves were met by massive and incredible campaigns in the press and other media, of lies, ridicule etc. Henry Ford, with all his millions, was forced to crawl to these revolutionary Jews when he tried to expose their Communist activity. The same fate befell Father Coughlin, Charles A. Lindberg, Joe McCarthy, Douglas MacArthur and, most recently, General Walker.

Every effort to warn America of the INTERNAL threat from these hordes of alien-minded, race-mixing Jews and Communists has been destroyed and silenced with the magic word "hate". This incredible campaign to keep America from defending itself from Jewish Communism and race-mixing has reached such fantastic proportions that, even when the President of the United States is publicly assassinated in the midst of a wave of pro-Castro Communist terrorism all over the world, the highest officials in our land, including the President and the Chief Justice of our Supreme Court, use all the influence they can bring to bear TO PROTECT the Communist assassins and turn the wrath of America on the ANTI-Communists who seek to defend our country from such scum as Oswald and the rest of the Castro Communist gang.

How could this possibly be?

The answer is that the militant, highly organized Communists and Jews have managed to divide the White Gentiles of America into two almost perfectly equal political teams of "Republicans" and "Democrats" who have no real differences of opinions--BUT WHO ALMOST EXACTLY CANCEL OUT EACH OTHER'S VOTING POWER. The Republicans and Democrats--names which mean almost nothing--almost perfectly counteract each other at the polls--AND POLITICAL POWER IN AMERICA, THEREFORE, RESTS ENTIRELY IN THE HANDS OF TWO FANATIC RACIST "BLOCS"--THE JEWS AND THE NEGROES.

THIS IS NO ACCIDENT!

The Communist program is to organize and unify the scum of the world in a vast "mutiny" against the natural biological elite of humanity under the alluring banner of "democracy". These malcontents are then scientifically inflamed to passionate hatred of the industrious, the successful, the intelligent and the excellent. At the same time, the cunning Jews who operate this vast Communist confidence game against humanity teach the victims that it is "bigotry", "prejudice", "hate" and finally, "Fascism" or "Nazism" for the White Gentiles to defend themselves against this criminal and violent attack.

Way back in 1912, Britain's leading Communist, Israel Cohen, in his book, "A Racial Program for the 20th Century", made the strategy clear. (This statement was printed in an exposure by the U. S. Congress, "Congressional Record", June 7, 1957, p. 8559.)

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill

in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

In the Bronx, New York, when he was an adolescent youth, Oswald admitted that his dark journey into Communist terrorism began. He was handed a pro-Communist leaflet on behalf of the two convicted Jewish Communist spies, Julius and Ethel Rosenberg, who were finally electrocuted for treason at Sing Sing Prison. (The same sort of "love-mongering", pro-Communist Jewish literature as that handed Oswald is currently flooding America on behalf of another convicted Jewish Communist spy for the Soviet Union, Morton Sobell. Martin Luther King and many of the other so-called "civil rights" leaders are agitating for the pardon and release of Jew Communist atom spy, Sobell.)

Who knows how many young "Oswalds" will read this current batch of Communist-inciting literature and be launched on their own career of Communist terrorism as was Oswald?--Yet none of the Jews, liberals, "civil rights" leaders or other bleeding-hearts ever refer to this treasonable and vicious literature as "hate". Always it is only ANTI-Communist literature which is blasted as "hate". Unspeakably treasonable and un-American incitements to Communist violence, like New York's "Worker", the Jewish Communist paper "Freiheit"--published in Yiddish, daily, for Jewish Communists--"The People's World" in San Francisco, are openly sold all over America with never a peep of protest from men like Earl Warren and the brigades of pinko crusaders against "hate".

After reading the Communist pamphlet on behalf of the Jew Communist Rosenbergs, Oswald was moved to obtain and read the works of Marx and Lenin. Later, in Dallas, Oswald boasted that "Das Kapital" became his "bible".

Instead of enjoying normal American pursuits and interests, young Oswald began to soak his mind in the fanatic class hatred of Communism. All millionaires were "enemies of the people", "tyrants" and should be killed.

The juggernaut that would, on November 22, 1963, blast out the brains of an American president--a millionaire--was launched in New York's Bronx from the pages of the "Communist Manifesto", Rosenberg literature and "Das Kapital".

Continuously soaking himself in this poisonous Communist hatred, Oswald became a typical young, liberal pseudo-"intellectual". His Commanding Officer in the Marine Corps, First Lt. John E. Donovan, has told how Oswald, just like the young leftist college students I meet all the time, was full of his "liberal", Marxist and "intellectual" conceit, and arrogant attitude of superiority to all non-Marxist humanity.

In October 1959, full of hatred for the "capitalist" United States, Oswald traveled to the Soviet Union, turned his passport in to the U. S. Embassy, denounced his native America and applied for Soviet citizenship. In his press conference in Moscow, he heaped abuse on the United States of America, said its people were "bigots" and "exploiters" and scorned everything American.

In Kiev, Russia, the Soviets maintain a school for terrorists and assassins. While ostensibly living in Minsk, Russia, Oswald made frequent trips of long duration to Kiev! While in the Soviet Union, Oswald, strangely enough, was granted a most extraordinary privilege, especially for a non-citizen. He was allowed to use a RIFLE and practiced target shooting! He married a very attractive Russian woman, Marina Pruskova, and had a child. After 2 1/2 years in the Soviet Union, Oswald suddenly asked the Soviet Government for a favor almost never granted--he wanted to get an exit visa for his Soviet wife and child to return to the U. S. A.!

Amazingly, he had no difficulty whatsoever in getting this rare permission. He then wrote to Senator John Tower, demanding help in returning to the United States.

Here is a man who committed naked TREASON, denounced his native land, turned in his passport and still was openly contemptuous of the United States, its people, its government and its ideals.

Nevertheless, tremendous forces went to work and the U. S. Embassy in Russia GAVE SOVIET-LOVING OSWALD HIS PASSPORT BACK!

As if this were not enough, Oswald thereupon asked for, and got, from the very government he had denounced and betrayed $435.00 to return to the United States of America.

The State Department of the United States Government then issued a special non-quota immigration permit for Oswald to bring his wife, Marina, into the United States.

(Just for purposes of comparison, let the reader note the way I was hunted down and thrown out of England a year-and-a-half ago by the British Government, although I am no criminal, nor in any way disloyal, while Jewish Communist traitor Soblen was pampered in every way and England would not turn him over for deportation to the United States!)

Traitor Oswald and his wife arrived in the United States on June 13, 1962 and proceeded to Dallas.

The record shows that Oswald told a public stenographer that in 1962 an "engineer" in the area offered to publish a book about the Soviet Union to be written by Oswald. It just happens that a man named Michael Paine is an engineer who claims that he did not meet or know Oswald until a left-wing party in 1963. Oswald, having recently returned from the Soviet Union, was invited to a Russia-loving party, and all the local lefties, pro-Communists and other Unitarians, Quakers and "peace" workers (i.e., pinkos and leftists) attended to

meet Oswald and his Russian wife. Mrs. Paine, who attended that party, had been a super-leftist liberal at Antioch College in Yellow Springs, Ohio and the University of Pennsylvania, and had studied Russian in line with the usual "liberal" magnetic attraction to everything Russian and Soviet. At this party, we are supposed to believe, the Paines became so entranced with this traitor Oswald that they began to subsidize him and his family and he actually moved in with them.

During this time, with Mrs. Paine and Mrs. Oswald amiably chatting every day, in Russian only, Oswald obtained and lost several jobs and traveled to New Orleans, the city with the largest port and concentration of Communists in the South. Here Oswald contacted the Communist Party and the "Fair Play for Cuba Committee" at 799 Broadway, New York City.

The "Fair Play for Cuba Committee" now claims that Oswald's activities in New Orleans were in no way authorized by the Committee. Yet there are six lengthy letters from Oswald to the Committee which were published in the New York Times of December 9, 1963, p. 38, which make it perfectly obvious to anyone of normal intelligence that Oswald WAS working hand-in-glove with the "Fair Play for Cuba Committee". The head of the "Fair Play for Cuba Committee", Mr. V. T. "Lee", has announced that he has "lost" or "mislaid" the carbon copies of the answers which he wrote to all these letters of Oswald's.

During this period, Oswald had his photograph taken holding up a rifle and his favorite newspaper, "The Militant". "The Militant" is the newspaper of the Trotskyite Communist "Socialist Workers Party" and its title is clear enough indication of its nature. The Trotskyite Communist members of the "Socialist Workers Party", about 90% Jews and Negroes, are violently "militant" and scorn the more subtle activities of the regular Communist Party and Soviet Russia as "too slow". They are passionate adherents of Trotsky's doctrine of "international violent revolution". The Chinese Communists, the African Communists (100% Negro) and Castro (50% Negro) are also violent adherents of the bloody Trotsky doctrines of bloodshed, murder and assassination.

I went to the Library of Congress and obtained a copy of "The Militant" from the approximate period during which Oswald proudly had his picture taken with his assassination rifle and "The Militant". Here is a quotation from that filthy Communist rag. --Judge for yourself what kind of "hate" killed President Kennedy and will kill all of us if we don't put an immediate and complete stop to this sort of incitement.

"WHAT CASTRO WOULD DO ABOUT RACISM IF HE WERE PRESIDENT OF THE UNITED STATES"

"May I draw a word-picture of what we are really talking about when we say 'Decolonize America now'. Let us imagine that in November 1960, Fidel Castro, instead of John F. Kennedy had been elected president of the U. S. On the basis of his clear record of eliminating all racial barriers in Cuba and stopping police brutality, about 95% of the cops in this country, Black and White, North and South, would catch the first planes out to escape prosecution. Many of them would wind up in South Africa as "refugees". There they would find find a political and racial climate wholely compatible and congenial.

"If 'Bull' Conner were caught and arrested before fleeing, Fidel Castro would not permit anyone to lynch him. He would be given a fair trial. In open court, evidence would be presented of 30 years of his tyranny and terror as Birmingham police commissioner. Old 'Bull' would have full opportunity to testify in his own defense. His attorneys could cross-examine all the prosecution's witnesses, many of whom would be Negroes. And then, since it is inconceivable that any court would find him innocent, he would be taken out and shot.

"Meanwhile, on his first day in office, Fidel would have occupied the entire South with Federal troops without bureaucratic delays, the jails would be emptied of all Freedom Fighters and other victims of the Jim Crow system. Fidel's new cabinet would decree the immediate desegregation of all public facilities. Henceforth, all persons who continued to discriminate would go to jail or to humanely operated rehabilitation centers (Communist euphemism for "concentration camp"--G. L. R.) in an effort to cure them of their racist insanity. All jobs, all housing, all opportunities would be made available to everyone without discrimination.

"Most beautiful of all, Fidel would disband the entire repressive F. B. I. apparatus and would burn all the secret police garbage and intimate gossip that thousands of psychopathic F. B. I. agents have assembled over the years. He would put J. Edgar Hoover in an integrated cell in an Atlanta penitentiary as punishment for four decades of criminal neglect of duty. Hoover has never protected the Constitutional rights of Negroes.

"Sadly, but realistically, even a Pacifist has to make a prediction that will scare and alarm many persons. The prediction is that it is going to take a drastic, Castro-type revolution before this problem of the racists will be resolved. North and South, the twisted White Man in the U. S. has no more intention of giving up his Jim Crow system than do the fanatics in the Union of South Africa."

While living with the Paines, Oswald practiced sharp-shooting with the rifle he kept in the Paine's garage. He took a pot shot at General Walker, ran home and boasted of the fact to his wife in Russian, explaining that Walker needed to be wiped out for his "extremist" right-wing anti-Communist views. Mrs. Oswald, with complete naivete, has told this to the Federal Bureau of Investigation. But we are supposed to believe that she never mentioned this to Mrs. Paine, her protectress and only confidante, the only person in America who regularly talked with her in Russian, the only language she understood.

In September it is announced that President Kennedy will visit Dallas.

THREE WEEKS LATER, MRS. PAINE CALLS UP MR. TRULY, THE MANAGER OF THE TEXAS SCHOOL BOOK DEPOSITORY AND GETS OSWALD A JOB WORKING THERE.

This building is on the only logical route a presidential parade would take, AND AT THE PRECISE SPOT WHERE THE PRESIDENTIAL VEHICLE WOULD BE FORCED TO SLOW DOWN AND GIVE A PERFECT SNIPER'S SHOT WITHOUT DEFLECTION!

Within a matter of only an HOUR or TWO after Mrs. Paine contacted Mr. Truly to get Oswald the job atthe ideal assassination spot on the Presidential parade route, Oswald appeared at a rooming house at 1026 N. Beckly Street, USING THE NAME "O. H. LEE"!!!! The room was far smaller than the one he already had and cost him $ 1 per week more! Also, why the phony name? (See New York Post, Dec. 10, 1963, page 22). Can any reasonable person doubt that there was a CRIMINAL INTENTION present, at least in the mind of Oswald, when he GOT the job at the Book Depository, and that Mrs. Paine's involvement is, at the very least, HIGHLY suspicious?

Meanwhile, two New York Jews drive all the way down to Dallas to place a full-page advertisement in the Dallas papers for publication the precise date of the President's assassination. Printed with a big black border, the advertisement attacks Kennedy in a most extreme manner.

Consider; Dallas, supposedly a hot bed of right-wing extremism could apparently produce no "extremists" willing to put up the money for or write such an "extreme" anti-Kennedy ad. Jew Bernard Weissman had to come all the way down from New York to print this "extremist" ad in Dallas. WHY?

Later, it turns out that Weissman's partner in this 1500-mile extremist excursion to Dallas from New York City is a top leader of "Young Americans for Freedom"--an organization put together and master-minded from 79 Madison Avenue, by Jew Marvin Liebman--AN "EX"-COMMUNIST!

During his period in Dallas, at the request of a local "engineer" (Mr. Paine was an "engineer"), Oswald began writing a Marxist, pro-Communist, pro-Trotskyite, pro-Castro--but ANTI-SOVIET book. (It should be pointed out here that vast numbers of American Communists, particularly Trotskyites and Reds in our State Department, feel that the Soviets have "betrayed" the Communist Revolution by recreating the necessary institutions of society--authority, the family, marriage, discipline, etc.--which these Marxist fanatics consider to be "Fascist" perversions of "pure Communism". The Trotskyite Communists, which include most of the Jew Communists, are becoming RACIST Communists like the yellow Chinese Communists, the all-Negro Black Communists in Africa, and the mongrel Negro Communists like Castro and the Cubans. These are the "way-out" "leftist" Communists who favor Jewish Trotsky's bloody doctrines against the more moderate policies of White Gentile Khruschev. And it is interesting to note that White Gentile Communist Khruschev is finding himself more and more at odds with the dark racial Communists of the world and the Jew Trotskyites who lead them.)

Thus, the gentle "anti-Soviet" aspects of Oswald's reported manuscript does not make him any less a Communist--quite the reverse.

But the most significant and startling thing about Oswald's book episode is the public stenographer's story of what happened when Oswald began to give her sections of the book mentioning KIEV, where the Soviets maintain their school of assassination and terror.

The stenographer reports that when Oswald reached the Kiev episodes, he became highly agitated, snatched away the entire manuscript, notes and carbons--leaving only $ 10 in payment!

The Paines took Oswald to a meeting of the American Civil Liberties Union, which has defended literally thousands of Communists, murderers and saboteurs, to say nothing of assassins, and got Oswald to apply for membership. He was told the ACLU "defends radicals" --which it does.

Three days before the assassination of President Kennedy, the F.B.I. seized three Castroite terrorists, precisely like Castroite Oswald. The Federal Bureau of Investigation revealed that had these three Castroite terrorists NOT been caught, they planned to bomb Wall Street, blow up oil refineries in New Jersey and spread a wave of assassinations and terror throughout New York!

This would have occurred about November 22, --THE DAY THE PRESIDENT WAS SHOT!!

Here is a quote from the "New York Journal American", November 18, 1963:

"If the F.B.I. had failed to smash a Cuban plot geared to spread death, terror and destruction in the metropolitan area, Government sources said the three arrested saboteurs planned to destroy national defense materiel sites and utilities in New York City; blow up gasoline and oil refineries--the expected result: 100 million dollars worth of damage; plant incendiary bombs in New York City's largest department stores; train ten other pro-Castroites in the art of sabotage. These ten were already undergoing training clandestinely. The expected result: a stepped-up program of sabotage that in time might completely paralyze the City. The blowing up of bridges and subway facilities, for example, might have been part of the plot for the future."

One day before the assassination, on November 21, Havana Radio boasted that Castro Communism would "export" bloody terrorism TO ALL THE NATIONS IN THE WESTERN HEMISPHERE--INCLUDING THE UNITED STATES! (Washington Post, Dec. 8, 1963)

Meanwhile, inexplicably, Oswald slips over to Mexico to the Cuban and Soviet Embassies and IS SEEN BY WITNESSES IN A STATION WAGON! The border guard remembers there were two women and a man with Oswald--Mr. & Mrs. Paine and Mrs. Oswald. (Toronto Telegram) (Mrs. Paine had a station wagon and used it to transport the Oswalds several times, including from New Orleans to Dallas.)

Simultaneously, Castro, as a matter of historical fact, IS spreading murder and terror in Venezuela, where U. S. citizens have been beaten, kidnapped and killed by the Castroite terrorists.

On November 7, 1963, United States Congressman Kirsten wrote an official warning to President Kennedy THAT THE COMMUNISTS WERE TRAINING PROFESSIONAL ASSASSINS FOR ACTION IN THE UNITED STATES! (Northern Virginia Sun, Nov. 27, 1963, Page 1).

Exactly fifteen days later, President Kennedy was killed by a Communist Assassin, --AND NOW WE ARE TOLD IT WAS ONLY THE ACT OF A "LONER", AND WE MUSTEN'T GET MAD AT THE COMMUNISTS, SOVIETS OR CUBA!!!

On November 22, 1963, Lee Oswald killed the President by shooting out of one of the windows of the building where he had been gotten a job by Russian-loving Mrs. Paine!! A "coincidence" of course.

Within a matter of minutes after the assassin turned out to be a Communist, the United States State Department sent out a top-priority demand to leading U. S. news agencies to minimize any connection between Oswald and world Communism "in order to avoid disturbing relations with the Soviet countries and Cuba". (Washington Daily News, Dec. 4, 1963, p. 5) We get hardened to the redness of our own State Department. Perhaps it will help the reader see the red reality here if we reverse the situation. Suppose Hitler's Germany were still going strong, and I shot the President. Can you imagine the State Department sending out a plea to the press not to mention that I am a "Nazi" to avoid disturbing relations with Mr. Hitler?

Any normal American cannot help asking himself how it was that a traitor and defector to Russia could calmly sit in the window of a building on a Presidential parade route with a rifle and shoot the President, in spite of the FBI, the Secret Service and the Dallas Police Department, -and then GET AWAY!

The answer is absurdly simple. Tragically simple! Because of the intense anti-right-wing-"extremist" propaganda led by the President himself, all the security forces were watching ANTI-Communists, and there was nobody left to pay any attention to the REAL and DEADLY danger the Communists!

Within moments of the shooting, five ANTI-COMMUNISTS were seized by Dallas Police by the officers right on their tails in the crowd. These five were held FOUR DAYS because of the crazy hysteria whipped up against ANTI-Communists, even though the Police, while they were holding these anti-Communists, caught the real culprit, a RED, allowed him to be shot in the basement of the Police Station by a Jew, and then locked up the assassin's assassin.

The President was shot because he, along with the Jews and the rest of the left wing, had BLINDED America to the deadly menace of the REDS, -calling it "witch-hunting," "hate", etc., and set all our Security forces on a very REAL "witch-hunt" after the Birch Society, the D.A.R., etc, -while trained and deadly Communist killer Oswald was allowed to run around FREE of surveillance, --just like hundreds of thousands more like him who are running around America TODAY, right now! The American Nazi Party is damned by the Attorney General as unAmerican, etc, -but if the American Nazi Party had had its way, the Attorney General's brother never would have been shot, because Lee Oswald would have been in his GRAVE, where traitors belong, according to the Constitution. And dead Communists can't shoot people or overthrow governments.

There is no "middle ground" with the Communists, no "moderate" position. You either KILL THEM, --or they KILL YOU, --as they DID kill our President, and WILL kill more if we don't STOP them!

After Oswald had gotten clear of the building from which he shot the President, the whole plan of the Jews and the Reds to wipe out the Right-wing and jam through the enabling legislation for a Soviet America, was IN THE CLEAR. If Oswald had not been caught, there would not have been one voice raised to suggest that a COMMUNIST might have done it, and, just as the Birmingham bombing, the anti-Communist Right-wing would have been violently LYNCHED, ---"for shooting our beloved President"! -although, just as in Birmingham, there was no fair trial and no "defendant" whatsoever.

But I believe Destiny took a hand at this point and threw a monkey-wrench into the Jew-Communist machinery. By the most IMPROBABLE of chances, a Dallas Policeman heard the barest possible description of the suspect, -height, weight, age, etc, --and saw a man who might fit. When he tried tostop this man, the man SHOT him, -and all the plans of the reds went up in smoke!

Oswald was clearly on his way to Rubenstien's apartment, probably to hide out, But the shooting of heroic officer Tippit "loused up" the plans, and he ran for a movie house in panic, and got caught.

IT IS IMPOSSIBLE TO OVEREMPHASIZE TO THE THOUGHTFUL READER THE HISTORY-

CHANGING MAGNITUDE OF THIS EVENT! HAD OSWALD "DISAPPEARED", LIKE THE "BIRMINGHAM HATE BOMBERS", --THE ASSASSINATION OF THE PRESIDENT BY THE "DANGEROUS" RIGHT WING "EXTREMISTS" AND "FASCISTS" WOULD HAVE BEEN USED WITH DEADLY EFFECT TO HAMMER IN THE LAST LINKS OF COMMUNIST SLAVERY IN AMERICA! IN THE EMOTIONAL ATMOSPHERE WHICH WOULD HAVE PREVAILED, NOTHING COULD HAVE STOPPED THE PASSAGE OF THE MOST EXTREME "CIVIL RIGHTS" LAWS AND THE COMPLETE LIQUIDATION OF ALL "ANTI-COMMUNIST EXTREMISTS".

TO ACCOMPLISH THIS, THE RED TERRORISTS WERE WILLING TO SHOOT A PRESIDENT!

EVEN WHEN CAUGHT RED-HANDED, WITH THE UTMOST ARROGANCE, -THEY ARE STILL TRYING TO DO IT!

But Destiny put Officer Tippit in the path of these fiends. Tippit died doing his duty. But his death saved America from the immediate threat of the Communist Revolution! I must admit that I could not believe the reds would be insane enough to shoot the President, but as I dug up more and more of the deadly facts, I became thoroughly convinced that November 22nd was "REVOLUTION DAY" on the red calender. We could never have resisted or survived the raging LYNCH MOB they would have whipped up, had Officer Tippit not stopped Oswald and thus led to the immediate capture and identification of the killer as a RED!

While the President was driving through Dallas, an ex-Chicago Jew named Jacob Rubenstein was pointedly in the advertising offices of the Dallas newspaper going over his display which promoted his degenerate strip-tease burlesque club. As the President was driving by outside, RUBENSTEIN REFUSED TO JOIN OTHERS IN THE OFFICE IN GOING TO THE WINDOWS TO WATCH HIS "IDOL"!

Later, when Oswald was caught, Rubenstein rushed to the Police Station and managed to slip by all guards. FOR AN ENTIRE DAY, while Oswald was in the Police Station, Rubenstien was running around in the middle of everything, often brushing past Oswald as he was moved trhough crowds of reporters, TV men, etc, and even participating in a press conference and prompting the District Attorney with the answer to a question on local geography! Rubenstein was busily passing out his bawdy "calling-cards" for his burlesque show to police and reporters. As long as Oswald showed no signs of "breaking" in his questioning by police, Rubenstein "joked with reporters" and simply hung around.

Then it was announced that Oswald was "ready to talk", and appeared ready to expose the real set-up. Within hours, Rubenstein suddenly became so "upset" over the President's death, and was so "touched" at the thought of Mrs. Kennedy's sorrow, that he up and shot Oswald, sealing his lips forever!

Now consider the position of the conspirators!

If Oswald talked, the whole thing would blow wide open and, instead of a RED victory, the atmosphere if Oswald admitted he was in on an international Jewish Communist plot would have been NAZI. The Jew Communists and traitors would have had to flee for their lives, -as they should!

But even if Oswald DIDN'T talk, the prolonged trial of this COMMUNIST assassin would have driven into American consciousness at last the deadly danger of tolerating this criminal conspiracy on our soil for one moment longer, and would have led to a glorious revival of the patriotism the reds call "McCarthyism" -and an impossible position for the Communists. The trial of Oswald just simply MUSTN'T HAPPEN. ALL the day before the shooting of Oswald, it seems reasonable to me that the high councils of treason in America were desperately scrambling for the solution. -And they found it, -the same solution they ALWAYS find, death!

At the very last moment when Oswald could be reached by "Ruby", -as he was being transferred to secure quarters from the police station, the Jew Rubenstein rushed forward, WAS RECOGNIZED BY OSWALD, AS SLOW MOTION MOVIES HAVE PROVEN BEYOND DOUBT, --and shot the assassin dead.

With Oswald's death, the worst of the crisis was over for the conspirators. Consider what was bound to happen if Oswald had NOT been shot, and now will NEVER happen.

Here are some of the deadly FACTS which would have come out of Oswald's trial, and will now be COVERED UP by the Warren Commission:

Oswald was working for the "Fair Play For Cuba" Committee. We have met and fought this gang of swine PERSONALLY, several times, -and can testify that they are the FILTHIEST, VILEST, most treasonable and vicious gang of reds in the Country. But more important, they are the NUCLEUS OF THE "CIVIL RIGHTS" MOVEMENT! On April 6, 1960, , the "Committee" was launched by an ad in the New York Times, a full page, -paid for with CUBAN red money! At the TOP of the list of sponsors for this vile ad on behalf of treason is the name, "JAMES BALDWIN", the repulsive, black sexual pervert "author". The rest of the list contains NAACP luminaries, and, perhaps even more important, big shots in the American Civ-

il Liberties Union! The head of the Fair Play Committee in L. A. and a national Co-chairman is Jew A. L. Wirin, -Who is ALSO the head of the LA ACLU! The head of the vile committee is the Jew, V. T. "Lee" (Tappin), who also turns out to be the Secretary of the ACLU in Tampa, Florida!

A trial of Oswald would have driven into the consciousness of America the unspeakable treason of these people who keep pulling off the same old Communist trick of calling violent Communist terrorists "reformers" until these murderers have seized control of pro-American, Christian governments as Castro did to Batista and Mao Tse Tung did to Chiang Kai-shek--after which the filthy Red fakers in America moan and wring their hands at their "betrayal" by these hard-core Communists who always seem to "fool" these trusting lovers of "civil liberties" and "civil rights".

Just a few weeks before the President's assassination, OUR GOVERNMENT, WITH THE HELP OF THESE PRO-COMMUNISTS, CIVIL LIBERTARIAN CREEPS, SNUBBED AND INSULTED PRO-AMERICAN, CHRISTIAN MADAME NHU. THEN THE VIET-NAM COMMUNIST "REFORMERS" BRUTALLY ASSASSINATED HER HUSBAND AND TURNED OVER SOUTH VIET-NAM TO MORE OF THESE CRYPTO-RED "REFORMERS"

The U. S. Government actually helped more of these "reformers" to assassinate Christian, pro-American Trujillo so that they could install veteran Red, Juan Bosch. Daily exposure of all of this would have been inevitable in any trial of Oswald. And such daily exposures would have inevitably and finally aroused the American people to the deadly facts about Communism which we of the right wing have been trying so hard to warn America.

In short, the trial of Oswald would have been a fatal blow to the Communist conspiracy in America. It would have been utterly impossible for Martin Luther King, Queer James Baldwin, A. Philip Randolph, Queer Bayard Rustin and the rest of the "liberal" and "civil rights" Jew and Negro leaders who have infiltrated even our churches to continue their deadly but creeping Communist revolution in America. Oswald had to go.

And he went. He was gunned down in typical gangland fashion by a man typical of "Murder, Inc.". For new readers who have not been exposed to the kind of facts published in the ROCKWELL REPORT, let me say briefly that the ROCKWELL REPORT for November 15, 1963 amply proves that "Murder, Inc." was headed by the Jew Louis Lepsky Buchalter, and was almost 100% made up of brashy and violent Jews like Jacob Rubenstein, alias Ruby. In that ROCKWELL REPORT, we listed dozens of these Jewish icepick killers, stranglers, assassins and murderers of all sorts: Waxey Gordon WECHSLER, Mickey COHEN, Pitts Phil (STRAUSS), "Bugsy" SIEGEL, Meyer LANSKY, "Dutch" Schultz (FLEGENHEIMER), Arnold ROTHSTEIN, "Bugsy" GOLDSTEIN, "Pretty" LEVINE, Abe RELES, "Gangy" COHEN, and literally dozens of others. (See the book, "Murder, Inc.")

Jake Rubenstein, alias Ruby, was a two-bit hanger-on in this vicious gang of commercial assassins.

Now consider what would have happened had Oswald not been caught within hours, as he was.

Remember the Birmingham bombing. The perpetrator of this bombing assassination in a church was never discovered. Yet, as we pointed out in the ROCKWELL REPORT for October 1, 1963, the murder of these little colored girls in Sunday school has been universally attributed to evil Southern racists and anti-Communists, ALTHOUGH ANTI-COMMUNIST RACISTS WOULD HAVE ABSOLUTELY NOTHING TO GAIN AS WE POINTED OUT IN THE ROCKWELL REPORT, BY BOMBING LITTLE GIRLS IN SUNDAY SCHOOL. Had it been the work of racist "hate mongers", they would have been much more likely to have bombed Martin Luther King, James Baldwin, or another object of the righteous wrath of good, White, Christian Southern people. THE ONLY GROUP WITH ANYTHING TO GAIN BY BOMBING THOSE LITTLE GIRLS IN CHURCH WERE THE COMMUNISTS AND THEIR "CIVIL RIGHTS" FRONT GROUPS!

The very liberals who are staunchest in their advocacy of civil liberties and their hatred of "lynching" were the most fanatic lynchers of the entire South, the right-wing anti-Communist movement which was "convicted" without a trial or even a defendant of being "guilty" of the Birmingham bombing.

IF OSWALD HAD NOT BEEN CAUGHT, THE ASSASSINATION OF PRESIDENT KENNEDY WOULD HAVE LED TO THE IMMEDIATE LYNCHING OF THE WHOLE ANTI-COMMUNIST RIGHT-WING!

Can you doubt that?

Even if Oswald had managed to escape detection for only a few weeks, an hysterical hue and cry would have been raised against the "vicious hate mongers" (the anti-Communists) who "shot our beloved President" which would have been more than enough to put out of business and in fear of their very lives even the most timid anti-Communist ladies of the D. A. R.

There is no doubt in my mind whatsoever that, had Oswald not been caught and identified immediately by

the Dallas police, not a stick of our headquarters would have been left standing and I would be either dead, in jail, or hiding from enraged "posses"--lynch mobs violently agitated by every engine of press, TV, magazines, etc.

Instead, when the killer was, by a lucky chance, immediately identified as a COMMUNIST, every force available to the government and the persons of power and influence in America were immediately set to STOPPING any possible public indignation at the Communist killers of the President.

Incredibly, instead of permitting our people to rise up in their righteous wrath and strike down once and for all the very REAL "hate"--the filthy COMMUNIST hate which killed the President, our leaders, from the new President and the Chief Justice of the Supreme Court on down, did their level best to turn the wrath of outraged and frustrated America against ANTI-Communists!

In a last desperate effort by the Jews to use the assassination to lynch anti-Communist patriots, a New York Jew named Stephen Harris Landeberg rushed to the FBI and told the agents that he and a man from Greenwich Village used to go to leftist and Communist meetings with Lee Oswald where Oswald and these Jews would then attempt to disrupt the Red meetings--the clear implication being that Oswald was a secret "hate-mongering right-winger". Later, the FBI revealed that this Jew had lied and has indicted him for attempting to pervert the processes of justice.

THE FBI HAS identified this man as STEPHEN HARRIS LANDEBERG of New York, whom FBI agents arrested for allegedly giving them false information that sent them looking for a non-existent associate of Harvey Lee Oswald, accused assassin of President Kennedy.

Not only that, but there were two investigations launched which had a good chance of bringing into the open and into the consciousness of Americans, the nightmare menace of which Oswald was an arm. Senator Eastland, in Washington, and the State of Texas began inquiries which I was sure would result in a long overdue national clean-up campaign against the Red octopus in America which produced assassin Oswald.

Reacting to this possibility, the new President appointed an unprecedented Commission, headed by the anti-Communist "haters" whom he accused of being responsible for the President's assassination. Tremendous pressure was brought to bear on Eastland and on the State of Texas to drop their investigations--WHICH THEY HAVE DONE! The man who stood up in the rotunda of the Capitol by Kennedy's bier and placed the blame for the President's assassination on the "haters" (the anti-Communists) will now "judge" the facts.

Can there be any doubt about his "findings"?

UNLESS WE CAN STIR UP A HORNET'S NEST OF PROTEST, The Warren Whitewash Commission will serve only to reinforce what Warren has already hissed out at America with such venom, -that the President was killed by ANTI-COMMUNIST "hate".

Unless WE ALL raise a storm, and keep it up, we will NEVER know the FACTS about Mrs. Paine, who was on the INSIDE with the Oswalds every step of the filthy way. We will never know why Oswald was officially denied Soviet citizenship in Russia, AND THEN ALLOWED TO TRAVEL FREELY THERE, -AN UNHEARD-OF PRIVILEGE. We will never know why Oswald was allowed by the Soviets to get a JOB and the sacred "rabochaia knishka" --the all-important work-permit which is hard even for GOOD Russians to get, let alone Trotskyites who are officially declared "enemies of the state", as was Oswald. We will never know why he was permitted to marry a Russian girl, who would have instantly dropped Oswald like a hot potatoe at one word from the KGB (State Security Police). We will never know how come Oswald's wife, a highly skilled Pharmacist in a country starved for such workers, was allowed to LEAVE Russia with NO TROUBLE whatsoever. We shall never know if Oswald attended the Soviet assassination school in Kiev.

Above all, we will never know the FACTS about that ubiquitous Mrs. PAINE. What was her record at Antioch College and University of Pennsylvania where she was a Unitarian and Russian student?(For the unitiated reader, the Unitarian "Church" where one can join even as a professed atheist, is the center for "liberals" Russia-lovers, reds, Trotskyites, Jews, race-mixers, etc in every community.) We are too poor to do much, but I have already ordered every person in the areas concerned to dig as hard as possible into Mrs. Paine's RECORD. Have you noticed that, with pictures of EVERYBODY else involved all over the papers, there has not been ONE PICTURE, at least in any of the thousands of papers we've seen, of MRS. PAINE? Does it not seem likely that people might RECOGNIZE such a picture of Mrs. Paine and reveal her "peace"-marching activities, race-mixing marches, red "work-shops", etc. and blow the lid off this filthy cover-up?

To any American who has been "reached" by the shocking facts herein and who wants to DO something to prevent the cover-up of this filthy Marxist attack on our Country, "ZERO IN" on Mrs. Paine. There's the KEY, in my opinion. We have NO MONEY. But there may be one reader of this piece who does, and who will use it to pay investigators to do what pinky Warren never will. A documented study of Mrs. Paine's record would do more to save America than all the literature and rallies we have held for fifty years. If you live near Yellow Springs, Ohio, where Mrs. Paine

went to college at Antioch, LOOK UP IN OLD NEWS All

President Johnson is already exceeding even President Kennedy in betraying the White Race and our Christian Constitutional Republic into the hand of Communistic villains like James Baldwin and Martin Luther King. Nevertheless, I do not want to see the terrorists assassinate one more United States official--let alone our President. (It should be remembered that if I had had MY way, the President never COULD have been shot, because Oswald and all like him would have been in their GRAVES as traitors on November 22, 1963.)

AND THE ONLY WAY TO PREVENT THE FURTHER ASSASSINATIONS AND NIGHTMARISH COMMUNIST BLOODSHED AND TERRORISM WHICH LIES AHEAD IS FOR AMERICA TO WAKE UP, STAND UP AND CLEAN THESE RED RATS OUT OF OUR BELOVED AMERICA.

It is my dearest hope that we can reach enough Americans with the deadly facts contained herein to stop the "black" revolution (a very real Red revolution) and ALL revolution in these United States of America.

After reading and pondering this bloody record of a century of Jewish Marxist terrorism and assassination, what American will not agree with me that the only way to deal with such criminally insane killers to KILL THEM--BY LAW!
